Jo2Go—Folding neck Banjo

The ultimate traveling Banjo, just got better!!

The Jo2Go is the latest version travel Banjo from Sloan Banjos. We are now in production and excited to bring to you a professionally designed awesome sounding Banjo.

The Jo2Go folds using a specially designed slip hinge allowing the neck to be folded in seconds and re assembled in the same time.

A custom backpack case is available for the Jo2Go which fits in most airplane overhead storage compartments.

**Available as open back
or resonator!!**
